

Mindful Education Insights – human resources (CIPD)

Mindful Education Insights is a series of guest speaker sessions and webinars for tutors, which are available year-round. Sessions will be delivered by a member of the Mindful Education team as part of our support for delivery teams at appropriate times for you and your learners.

Guest speaker sessions

Sessions	Audience	Format	Aims of the sessions
Using the VLE: how to make the most out of blended learning	Learners: Cohorts across all levels who are studying in a flipped / blended format for the first time, or cohorts who have a low induction uptake / engagement	In person alongside the college tutor, or online for groups who have virtual tutor-led sessions	• Help learners fully grasp how the VLE can support their learning experience • Demonstrate the tangible benefits of flexible learning • Encourage learners to study in the flipped / blended learning format • Boost engagement and foster effective independent study habits
Written assessment support: Research, referencing and top tips	Learners: Level 3 and Level 5 cohorts who are approaching their first assessment submission	In person alongside the college tutor, or online for groups who have virtual tutor led sessions	• Provide learners with practical assignment writing guidance and top tips • Inform learners of any referencing requirements they will need to fulfil • Explain how to carry out targeted research on specific topics and incorporate those findings into their work
Interview task support for Unit 3CO04	Learners: Level 3 cohorts who are undertaking the recruitment activity as part of unit 3CO04	In person, alongside the college tutor	• Provide tutors with practical support for the recruitment activity exercise with learners
Providing a practitioner perspective	Learners: Level 3 and Level 5 cohorts who are progressing with their studies and assessments	In person alongside the college tutor, or online for groups who have virtual tutor-led sessions	• Apply theory to current events, in order to help learners starting out in the industry • Develop KSBs against the profession map • Provide examples to contextualise assessment briefs for learners • Develop learners' commercial and industry awareness

Sessions	Audience	Format	Aims of the sessions
Open evening or information evening support	Prospective learners: All levels	In person / online	- Support partner-led open evenings by providing additional Information, Advice and Guidance on: - The Online and On Campus delivery format - What to expect on the relevant programmes with respect to time commitment, level of work, and any 'pain points' - Career routes and the value in achieving the relevant qualification(s)

Insights for tutors

Sessions	Audience	Format	Aims of the sessions
Using the VLE to support ESOL learners	Tutors: All qualifications and levels <i>For tutors with ESOL learners within their cohorts</i>	In person / online	- Strengthen tutors' understanding of how ESOL students engage with learning - Help tutors recognise common barriers ESOL learners can experience - Explain and demonstrate the VLE design and key features that provide meaningful support to ESOL students - Encourage tutors to apply a range of strategies and techniques to support ESOL learners
Understanding the accessibility features of the VLE	Tutors: All qualifications and levels <i>For tutors who have learners with accessibility requirements or additional learning needs within their cohorts</i>	In person / online	- Explain the key accessibility features within the VLE - Explore how to support learners effectively by utilising assistive technology - Provide practical tips for planning your on campus sessions - Increase tutor confidence to support learners who have additional needs
Assessment brief update session	Tutors: Level 3 and Level 5 qualifications <i>This session will be advertised following the release of the annual learner assessment briefs (LABs)</i>	Online webinar presentation, with Q&A section	- Walk through a summary of the most recent LABs, highlighting key areas of interest and changes - Discuss how the Mindful Education VLE addresses the points raised and changes made

Sessions	Audience	Format	Aims of the sessions
Preparing for EPA: Supporting apprentices	Tutors: Level 3 or Level 5 cohorts that include apprentices	In person / online	- Recap the end point assessment (EPA) requirements for apprentices, including the EPA unit support available on the VLE - Provide first-hand experience and insights into EPA preparation work for apprentices
Advanced analytics	Tutors: Level 3 or Level 5 qualifications, where tutors have at least one year of delivery experience with Mindful Education	In person / online	- Provide best practice in flipped / blended learning delivery, using all features within the Mindful Education learner analytics on the VLE - Improve learner engagement and outcomes, through the alignment of learner analytics with the on campus or virtual classroom lesson plans

Insights for Learners

Sessions	Audience	Format	Aims of the sessions
Preparing for the next level	Learners: Level 3 cohorts who are approaching the end of their studies	In person / online	- Provide an overview of how each level of study links to different HR roles and CIPD membership - Explore the qualification specifications for the next levels - Understand the time commitments and key 'pinch points' for the next levels

Ideas for additional sessions

If you have suggestions or ideas on how we can further support you and your learners, then please contact a member of our Curriculum and Quality Support team. We would be happy to arrange bespoke guest speaker sessions on specific topics.
