# AAT Level 1 Award in Bookkeeping

Our brand new AAT Level 1 course launches in September 2026

We're delighted to announce our AAT Level 1 Progression Dividend. This initiative is central to our shared values with our partners - providing adult learners with entry-level skills and opportunities for progression.

## How it works

- The AAT Level 1 Progression Dividend is available to partners who deliver AAT Level 1 and Level 2 courses in partnership with Mindful Education.
- When your learners complete Level 1 and then progress to Level 2 and complete either the AAT Certificate in Accounting or the Accounts/Finance Assistant Apprenticeship, we'll credit back the cost of those learners' Level 1 study with Mindful Education.
